

## **Index of the reference signs**

interface 1  
top-part 2  
bottom part 3  
stop-break bar 4 with poles  
screws 5  
round fixing-ground-plate 6 (with 4x4 or 3D Norm)  
stop (housing) 7  
cross-shaped opening 8  
round fixing-ground-plate 10  
screw 11  
star-shaped grooves 12 of the fixing-ground-plate  
openings 13 of the spring box  
star-shaped grooves 14 of the spring box  
engaging element or spring box 15 of the release-mechanism  
clamping mechanism or adapter 16 of the release-mechanism  
thread winding holes 17  
release-mechanism 18  
inserts 19  
power springs 20  
frame 21  
pin 22 with round shaped endings  
holes respectively housings 23  
pressure plate 24  
screw 25 with ring in the thread 25 b  
pressure plate 26  
fixing frame 27 or u-profile  
turn able groove plate 28  
fixed groove plate 29  
u-lever 30  
axis 31  
butterfly shaped release trough 32  
hole 33 for a spring in the turn able groove plate 28  
plate spring 34  
central hole 35 in the spring box 15  
insert 36 of the fixing-ground-plate 10  
loop 37  
turning-clapping lever 38  
(alpha-numeric- or bar-) code 39  
Internet-list 40 of the alpha-numeric- or bar- code 39  
suspension plate 41  
joint 42 of suspension plate 41  
rubber rings respectively spacer washers 43 as damping means  
toe fixing wire 44  
heel fixing wire 45  
screw 49  
spring power balance 50  
wire 51  
kink 52  
opening 54 for stop break bar 4  
long shaped interface plate 55

central enlargement 56 for the release mechanism 16  
fixing or mounting means 57 and 58  
parallel long-holes 59  
toe mechanism 60  
u-clamping profile 61  
heel mechanism 62  
stop-break turning point 70  
stop hook 71  
multiple holes 72  
ring 76  
opening 77  
conic shaped borders 78  
frame of opening 79  
long-holes 80  
central 3D pattern 81  
top right hole 82  
4x4 pattern 83  
high-back 90  
axis 91  
move able tapes 92  
fixing hook 93  
adjustment screws 99  
lock 100  
pring box 101  
pins round head 102  
release lever 103  
axis 104  
hole or opening 105  
hole for touring binding pins 106  
power plate 107  
wing 108
